3-Year-Old Project

The purpose of the 3-year-old project is to show the versatility of the horse and the training by the 4-H member. It is designed for older, more experienced 4-H members who have the acquired skills needed to manage, train, and show a young horse. The horse will be judged on degree of training, manners, responsiveness to the rider, and functional correctness.

- **Attire:** Same as other judged classes
- **Equipment:** Horses must be shown two-handed in either a smooth snaffle or a bosal. Snaffles may be of the O-ring, D-ring, or egg butt style. Any bit having shanks, and therefore curb action, of any type is prohibited.
- **Eligibility Requirements:** Horses must be 3-year-old fillies or geldings managed by the 4-H'er as outlined under the ownership and leasing section

To be eligible, a 4-H'er must be at least 14 years old before January 1 of the current year. Members must complete the 4-H Horse Safety Webinar and Exam annually.

The 3-year-old project will be judged in the following three separate phases at the Kansas 4-H Horse Show: a Pleasure class, Horsemanship class and Interview. Each phase will account for 1/3 of the contestant's total score. The horsemanship pattern will be provided by the judge at the Kansas State Fair. The horse will be judged on brokenness, manners, and responsiveness to the rider, movement, and functional correctness.

All 3-year-old horses must be nominated and entered by submitting the nomination form and Horse Identification certificate along with \$10 to the local Extension Office.

Exhibitors must be certified in Level I of the 4-H Horse Achievement program.

After June 1, the horse can only be shown and ridden by the 4-H member.

State Fair entries must be made by August 1 on State 4-H Horse Show Entry Form. Exhibitor is responsible to enter 3-year-old by August 1 for the Kansas State Fair. The horse can be shown either Western or English.
